

WHATS OUR DNA?

Lakes Church DNA is made of the constant, passionate, biblical core beliefs that drive us. Our DNA says why we do what we do and are the basis of ministry or the reason behind a ministry activity.

DNA defines what is important to God and thus should be important to us.

WE ARE PLUGGED IN

We are dependent on God through prayer to make things happen.

WE KEEP IT SIMPLE

We seek to do a few things well... less events and more relationships.

WE ARE ALL IN THE SAME BOAT

We are all on a journey of transformation. We celebrate momentum over destination and inspire through grace rather than shame.

THIS IS NOT OUR PARTY

This is the Father's party, and we are His servants, privileged to prepare the party and invite the guests. We design our environments to not only be relevant for us, but for those who have yet to come.

A SALAD NOT A SOUP

We are intentionally diverse, believing that the mix of generations, ethnicities, and cultures helps create the rich unity Jesus prayed for.

WE PASS THE BATON

We invest in the next generation and give influence to emerging leaders, allowing us to stay effective for generations.

WE DON'T DO IT ALONE

We do life together in groups, ministry in teams, and serve our community in partnership with others.

WE COUNT THE CHANGE

As the agents of God's redemption on this broken planet, our effectiveness is measured by both personal and community transformation.

WE GLOW IN THE DARK

We realize that God has called us to represent Him. At home, in our communities, with friends and in the world's dark places.

WE'VE BEEN TO THE BOOK

We go first to the Bible for everything we do. We consider serious and intentional application of Bible teaching to be of the utmost importance.
